

# UNIVERSITY OF SCOUTING

## Celebrating 24 Years of Scout Leader Education

### 2009

**OCTOBER 17, 2009**

**West Orange High School**

**NOTE OUR NEW LOCATION FOR 2009!**

1625 Beulah Road  
Winter Garden, FL 34787-4407

**Join us for the largest training event of the year!**

Learn new ideas from fantastic instructors and enjoy the fellowship of other adult volunteers and talented youth leaders from all over the state.

And don't worry about eating breakfast before coming to the University of Scouting 2009 – you can grab it there. The Order of the Arrow will be offering a pancake breakfast again this year. For only \$3 you can get 2 pancakes and 2 sausage links and we will provide all the fixings. We will also have **FREE COFFEE for the first 2 hours of the morning.** If you have pre-registered for the University as suggested, take your free time before classes begin to have a satisfying breakfast prepared by Scouting's National Honor Society.

**130 classes from which to choose!**

Este año estaremos ofreciendo neuvamente algunas clases en Español.

There will also be classes offered in Spanish again this year.

**NOTE:  
THE COLLEGE OF COMMISSIONER SCIENCE  
DEGREE PROGRAM IS A STAND ALONE TRAINING PROGRAM  
THAT WILL BE HELD IN APRIL 2010**

## **A LETTER FROM THE PRESIDENT**

Dear Fellow Scouts and Scouters,

Welcome to the University of Scouting 2009! This year promises to be a great one as we look forward to the Centennial celebration of Scouting in America as 2010 draws near. The President's Cabinet has been meeting and planning for the University of Scouting since virtually the moment last year's program ended. Many hours of planning and assessment of past years' endeavors goes into making the University of Scouting the greatest training opportunity in Central Florida. Please join me in thanking the many volunteers who have shared their talents to make this year the very best program yet.

As you make plans to join us for a great day of training, take care to plan your day to ensure that you are taking advantage of the many opportunities the various Colleges have to offer. If you are a new leader, look for a suggested curriculum for your level. If you are a veteran Scouter, there will be plenty of opportunity to learn something new. We have an excellent variety of courses to offer Scouts in the Junior and Venturing Colleges.

I attended my first University of Scouting in 1997 when I was a new Cub Scout Leader. It was such a great experience for me that I have not missed one since! My husband and I are both avid Scouters and have met some of our dearest friends at Scout trainings. My sincere wish for you is to have fun while learning and take back something that makes the experience for the youth in your program memorable. Every scout deserves a trained leader and the University of Scouting 2009 is your best opportunity to get that training in Central Florida. Enjoy the day and thank you for all that you give to the youth of Central Florida.

Yours in Scouting,

Colleen Wetzel  
President  
University of Scouting 2009

### **2009 University of Scouting Cabinet**

**Colleen Wetzel, 2009 President**

**Marilyn McAndrew, 2009 Provost**

**Jerry Brady, Staff Advisor**

**Lucy Slaton – President Emeritus**

**Dr. Rick Welch – President Emeritus**

**Dr. Terry Grove - President Emeritus**

**Dr. Wellington Estey – President Emeritus**

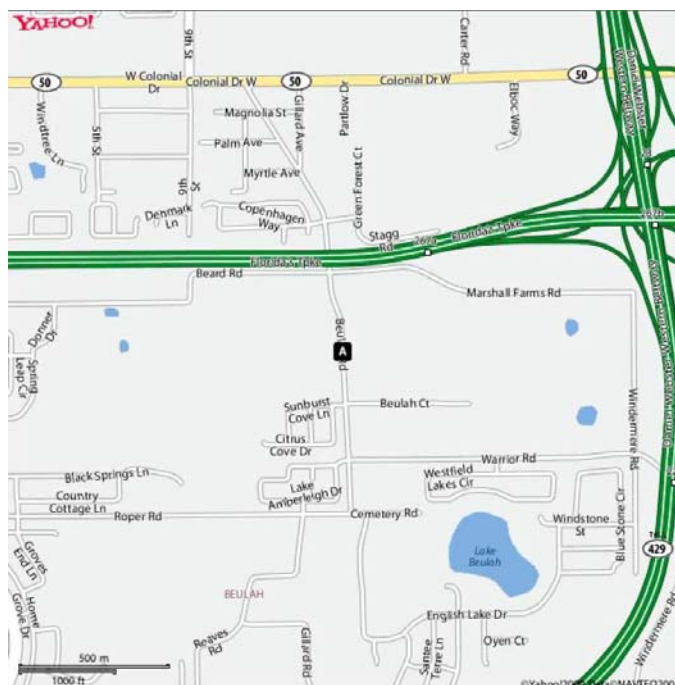

#### **VICE PRESIDENTS**

Morning Sessions Begin	8:30am
<b>Lunch</b>	<b>11:20pm – 12:35pm</b>
Afternoon Sessions Begin	12:45pm
<b>Graduation Ceremony</b>	<b>3:45pm</b>

## West Orange High School October 17 2009

The University of Scouting is the largest supplemental training course offered annually by Central Florida Council to scouting volunteers at all levels! It's also an excellent training opportunity for youth members in selected programs. It's a day of FUN and FELLOWSHIP! The University of Scouting offers practical courses to help Scouter's lead unit activities.

Participants will have an opportunity to select from specialized and advanced training in more than one-hundred thirty (130) courses involving numerous aspects of Scouting. Experienced volunteer instructors will present programs to help you improve your skills and expand your knowledge through course selections in five different Colleges. In addition to classes, you will have an opportunity to visit Scouting-related tables, Scout Shop tables and vendor booths (well-known local attractions and other businesses that support our scouting units) along our midway to obtain literature, purchase Scouting materials and learn valuable information about exciting program opportunities.

**PLEASE NOTE: All participants must be at least eleven (11) years old and registered Boy Scouts or Venturers in order to register for and attend classes.** Unfortunately, **child care is NOT available during the University of Scouting.** It is highly recommended that leaders arrange for the care of their children by the other non-leader parents who do not plan to attend the University.

### EARN YOUR SCOUTING DEGREE!

**First time University of Scouting students have the opportunity to earn their "Associate" Scouting Degree.** It's simple and chances are you were planning on doing it anyway. **First, choose your college** – more than likely, you'll want to work for your degree in the College for the program in which you are a leader. You can choose from General Studies, Cub Scout, Boy Scout or Venturing colleges. Youth participants can earn their degree in Junior Studies College. To earn the **ASSOCIATE SCOUTING DEGREE** you'll need to **select three (3) classes, or take classes totaling three (3) hours, in the college in which you want to earn your degree. Next, select one (1) class in the General Studies College and select another class in any of the colleges.** **NOTE: Youth seeking any degree may ONLY take classes from the Junior College listings and are NOT subject to the requirements to take classes in the General Studies or any other adult college. ADULTS MAY NOT TAKE JUNIOR COLLEGE CLASSES.**

**Second year students may earn a "Bachelor" of Scouting Degree in the college of their choice** – it does NOT have to be the same college in which you earned your Associates Degree (other than for youth who are restricted to earning their degrees through the Junior College and may NOT take classes outside the Junior College.) To earn the **BACHELOR SCOUTING DEGREE** select three (3) classes or classes totaling three (3) hours in the college in which you want to earn your degree. Next, select one (1) class in General Studies College and another class in any college of your choice.

**Third year students may earn a "Masters" of Scouting Degree in the college of their choice.** **PLEASE NOTE** – There are pre-requisites that must be completed before attending the 2009 University of Scouting, including the completion of the Trainers EDGE course. Please see the University of Scouting website for complete details ([www.uofs.cfcbsa.org](http://www.uofs.cfcbsa.org) .) As with the Bachelor's program; your Master's Degree does NOT have to be earned in the same college from which you earned your Associates or Bachelors Degrees (except for youth who must earn their degrees in the Junior College.) To earn your Masters Degree, you will need to select three (3) classes or classes totaling three hours in the college of your choice. Next, serve as an instructor or assistant instructor in the college in which you want to earn your advanced degree OR serve for at least one hour as an effective member of one of the University of Scouting support staff committees during the day of the 2009 University of Scouting. Again, youth seeking their Master's Degree must meet the Trainer's EDGE prerequisite but must take all of their classes from the Junior College listings and may serve as an instructor in the Junior College only. **YOUR SERVICE AS AN INSTRUCTOR OR SUPPORT STAFF MEMBER MUST BE COORDINATED THROUGH YOUR COLLEGE DEAN PRIOR TO THE UNIVERSITY OF SCOUTING. The deadline for declaring for the Master's Program was April 1st, 2009. In addition to completing the pre-requisites, Masters Degree candidates must participate in a one hour Masters Degree Seminar.** The Masters and Doctoral Seminars are the ONLY class outside of the Junior College that youth seeking their Master's or Doctoral Degrees may attend.

Students who have already earned their Associates, Bachelors, and Masters Degrees may begin working towards a **DOCTOR OF SCOUTING DEGREE** in the college of their choice. **PLEASE NOTE – There are pre-requisites that must be completed before attending the 2009 University of Scouting, including the completion of the Trainers EDGE course. Please see the University of Scouting website for complete details ([www.uofs.cfcbsa.org](http://www.uofs.cfcbsa.org))**

**The deadline for declaring for the Doctoral Program for the 2009 University of Scouting was April 1<sup>st</sup>, 2009.** Candidates have already been contacted by Stepheie Hendry, Dean of the 2009 PhD 101 Program. In addition to completing the pre-requisites, Doctoral candidates must participate in a one hour Doctoral Degree Seminar. The doctoral program is a multi-year program so candidates beginning the doctoral program in 2009 will receive their degrees at the completion of the 2010 University of Scouting.

## **COST**

Pre-registration cost is \$15.00 per person. This includes an event patch, your diploma, as well as a pin for your patch after you earn your degree. Local area vendors will provide various meal options for lunch at a reasonable price. Registration after October 10, 2009 is \$20.00. Payment can be made by check, money order, or credit card. All courses are offered on a first-come, first-served basis and most are limited to a 30-person capacity. Register promptly to insure that you get the courses you want. Please make your selections (including a 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> choice), complete the enclosed registration form and submit it using one of the options listed.

## **Please make sure to indicate if you are seeking to earn a Scouting Degree.**

Mugs, shirts, and similar souvenir items will be available throughout the day for purchase at the Scout Shop tables.

## **UNIVERSITY OF SCOUTING PATCH SYMBOLOGY**

The University of Scouting symbol of higher Scouting education has some distinct features. Although the logo does not change from year to year, the colors do change each year. It is the honor of the President of the University of Scouting to select the color of the patch. This year our President, Colleen Wetzel, has chosen maroon and white, the colors of the University of Massachusetts located in Amherst, MA, in honor of her alma mater.

The logo bears the universal symbol of Scouting in the center to represent all the Scouting programs. The two stars represent truth and knowledge. The Greek words below the two stars spell out truth and knowledge. The banner below the universal symbol simply states the year the first University of Scouting was conducted in the Central Florida Council.

## **THE DEGREE PROGRAM**

When you earn an Associate in Scouting Degree, you will receive a pin in the shape of a star that is to be worn over the left star of the patch.

When you earn a Bachelor in Scouting Degree, you will receive another pin in the shape of a star that is to be worn over the right star of the patch.

To the left of the 2009 University of Scouting patch shown above are the pins that are awarded for an Associate or Bachelor in Scouting. The color signifies the college in which the degree was earned.

YELLOW = CUB COLLEGE      RED = BOY SCOUT COLLEGE  
GREEN = VENTURING      WHITE = JR. COLLEGE  
BLUE = GENERAL STUDIES

Students who complete the requirements needed to earn their Masters Degree will receive a scroll pin that should be placed over the scroll on the University patch. The scroll pins are shown above and to the right of the University of Scouting patch.

Students who will be completing the Doctoral Program begun in 2008 will receive the Doctoral pin that should be placed over the fleur de leis on the patch. The Doctoral pin is also shown above.
